The upper limit of study credits per semester is 10 credits.<br>2. The minimum graduation credits for the in-service master's program in this department are 32 credits (including 2 credits for thesis).<br>* Group of compulsory 8 credits (3 subjects + graduation thesis)<br>* Group electives: 14 credits (must take at least 7 elective courses in each group)<br>* 10 elective credits (5 subjects, those who have not taken elective subjects in the elective group, or electives across groups)<br>3. Tuition and miscellaneous fees must be paid each semester in the first two academic years. From the third year onwards, the credit fee is NT\$5,000 per credit.<br>4. Recognition of credit exemption for promotion department class division (additional reading with class):<br>(1) The credit subjects must be subjects with the same name taken by the school's promotion department, and the score in this subject must reach 80 points.<br>(2) The top level of credits that can be deducted is one-fourth of the total graduating credits of the class.<br>5. For the above studies, please refer to the department's "Study Regulations for Master's Vocational Courses". |   |
